

Indoor + Outdoor

Wood care

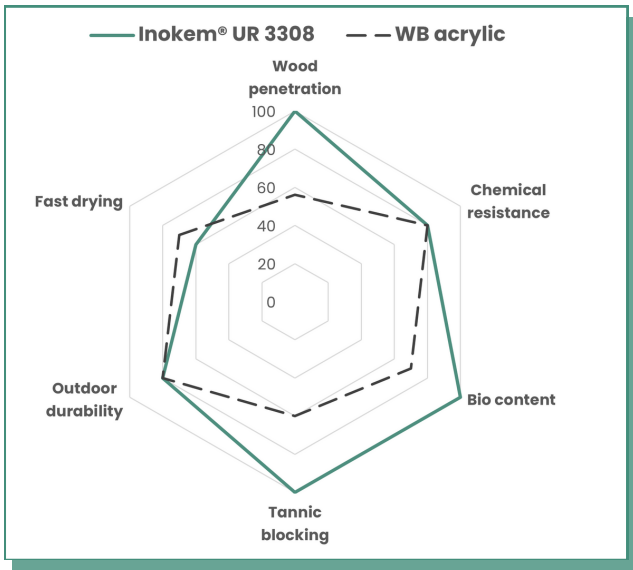

WB acrylic **INOKEM® UR 3308**

PROPERTIES	WB acrylic	INOKEM® UR 3308
Chemical resistance	★★	★★
Flexibility	★★★★	★★★★
Water uptake	★★	★★★★
Wood penetration	★	★★★

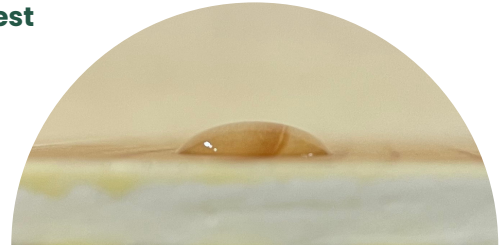

*Based on C content measured according to IEN 16640

A performing balance between impregnation properties and chemical resistance !

Tests with worktop oils

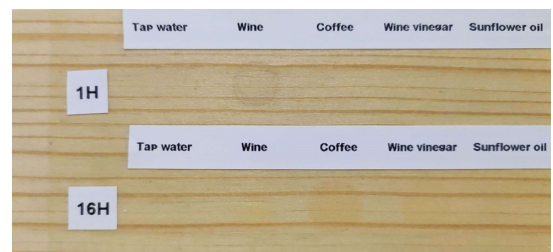

Drop test

Tannic blocking

Stain resistance

Inokem® UR 3308

Its versatility allows it to be used in combination with other Inokem® and polymers.
